

Private Cookie Decorating Events

Love and Baking historically has offered in person cookie decorating classes. However with COVID-19, we have switched to the option of online classes or cookie kits for corporate & private events

Online Cookie Classes - With Instructor

Online classes are taught via Zoom. We prepare cookie kits for your event with cookies, icing, and any additional tools that each participant may need. We set up the meeting links and will send it to the event host to distribute to the participants.

Private classes must be scheduled a minimum of **1 month prior to your event**. They require a **minimum of 8 participants** payment in full to reserve your date

There are 2 options of Online Cookie Classes:

- 1.3 Cookie Class - 1.5 Hrs - 35\$ per person
- 2.4 Cookie Class - 2 Hrs - **Most Common** - 40\$ per person

Cookie Decorating Kits - No Instructor

Another option for private events is Cookie Decorating Kits. This is a self lead option, the kits come with the cookies and all tools needed for your participants. With this option, you are given an instruction guide and photo to decorate your cookies any way you'd like

There are 3 options for Cookie Kits

- 2 Cookie Kits - 20\$ per kit with 3 colours
- 3 Cookie Kits - 30\$ per kit with 3 colours and sprinkles
- 4 Cookie Kits - 35\$ per kit with 4 colours and sprinkles
